THESE instruments have enjoyed a high reputation for more than forty years. Are **Brilliant and Musical in Tone**, and afford a most beautiful accompaniment to vocal music—the tone having that rare **sympathetic quality** which blends admirably with the **human voice**. They are **Durable**, being constructed of the **Best Materials**, by the **Most Skilful Workmen**. They have earned an especial reputation for **Keeping in Tune**, and also for retaining in a most remarkable degree their original fullness of tone—never growing thin or wiry with age.

THE BOSTON  
Saturday Evening Gazette.

THE SOCIETY PAPER OF BOSTON,

THE BOSTON SATURDAY EVENING GAZETTE is peculiarly a Boston paper, and has been for over three-quarters of a century the leading family weekly journal of the city. Its circulation is among the most intelligent and influential class of readers. In the discussion of topics relating to

Literature, Politics, Art, Music, and the Drama,  
Society, and the General Affairs of the Day,

it employs the best writers, and among these are gentlemen and ladies who are recognized as the first authorities in the specialties of which they treat.

An important feature is the publication of the sermons of the Rev. C. G. Ames of the Church of the Disciples, which are printed each week during nine months of the year. They are broad and liberal in spirit and wholly in sympathy with all that is best in modern progress, intellectual and social.

The GAZETTE is a special favorite with the ladies. Its "Out and About" columns contain a larger amount of matter of interest to this class than can be found in any weekly journal in the country, and have given it a reputation in Society Circles everywhere. Its other specialties are scarcely less popular with its readers. As a hotel paper, the GAZETTE stands second to none in extent and thoroughness of information. It is taken in clubs throughout the United States. In fact, as a **Society, Hotel and Club Paper**, it is without a rival.

As an advertising medium the advantages of the GAZETTE are obvious, and are widely appreciated. No journal has a more select and desirable advertising patronage; and by the Book Trade, the Hotels of the Country, the Dry Goods Trade, and in specialties in which the patronage of ladies is solicited, it is most of all sought.

"One of the brightest and most enterprising papers in New England."—  
HARPER'S WEEKLY.

"THE BOSTON SATURDAY EVENING GAZETTE continues to be conducted with diligent enterprise, and to maintain its claims to the regard of its numerous friends by the diversity and ability manifested in its well-filled columns from week to week.—BOSTON TRANSCRIPT.

"THE BOSTON SATURDAY EVENING GAZETTE, which has seen the rise and fall of at least a score of newspapers in Boston, keeps on the even tenor of its way without a skip or a break. Its appearance is not suggestive of age, but of perpetual youth, and it holds its peculiar field without a rival."—

# Security Safe Deposit Company,

EQUITABLE BUILDING, - BOSTON.

A safe in a Safe Deposit Vault is now regarded as a necessity. Prudence dictates that securities and other valuable papers should thus be protected from fire and theft. The "SECURITY" provides its customers with more facilities besides the safe, and without extra charge, than any other Safe Deposit Company in the world. Its Reading Room serves as a down-town Exchange or club room for news reading, correspondence and business appointments. A new and tasteful library, and coupon rooms for ladies' use, are now being built in connection with our new Vault, which, when completed, will be the finest in the world.

# CARD ETIQUETTE.

*The Signification of Corners turned on Visiting Cards.*

UPPER RIGHT CORNER—*Visit.*

UPPER LEFT CORNER—*Congratulations.*

LOWER RIGHT CORNER—*Adieu.*

LOWER LEFT CORNER—*Condolence.*

TURNING THE ENTIRE LEFT END—*A Call on the Family.*

R. S. V. P. (Répondez, s'il vous plait.)—*Please answer.*

P. P. C. (Pour prendre congé.)—*To take leave.*

Some still prefer this old custom of turning corners on Visiting Cards, though leaving a card for each person is considered in better taste.

To send a card without calling signifies inability to call in person.

Acceptances or regrets should be sent as soon as possible after receiving invitations.

“Party Calls” should be made within one week after date of the party.

Invitations in your own city can be sent either by mail or messenger, as preferred.

Letters or notes of invitation delivered by hand in the city are often marked E. V.—En Ville.

The custom is, for a lady about to be married, to enclose her card in an unsealed envelope, which the servant should deliver, the lady not leaving the carriage.

On gentlemen's visiting cards, “Mr.” should be prefixed to the name.

Any lady wishing to inform her friends of the presence of a lady visiting her family, should enclose her visitor's card with her own, in the same envelope.

An invitation to dine should be answered on the day received.

It is always courteous to acknowledge the receipt of an At Home card.

A visiting card should always be left when attending an “At Home.”

An invitation requesting your presence requires an answer.

## BOSTON FIRE-ALARM TELEGRAPH.

### SPECIAL NOTICE.

The fact that an alarm box is located near their residence and where the key is kept should be known to all persons; also the simple manner of giving an alarm in case of fire. The Board of Fire Commissioners recommend to all persons who may see this notice that they make the necessary inquiries to enable them, in case of need, either to get the key and give an alarm or to direct others to do so. *Time* saved in this way may sometimes prevent a conflagration.

In case of fire follow these

### DIRECTIONS.

Go to the nearest box to the fire.

A sign over each box gives location of keys.

Open the box — pull the hook all the way down *once* and let go.

Wait *one full minute* for the sound of the bells.

Listen for the working of the machinery in box. If you do not hear it pull again.

If then you hear no sound, go to the next nearest box. Repeat the same there; but do not touch any other box if the nearest one gives the alarm. If it be a keyless door, turn handle to right and open door; *when open*, pull hook as in other boxes.

After giving the alarm remain a while, if possible, by the box, so as to direct the firemen to the fire.

SECOND ALARMS.— No persons will give alarms for the same fire (after the first alarm has been given) *without an order from an Engineer*, or the officer in command, and the person so ordered will be *sure* to go to the *same box* from which the *first* alarm was given, and report same to the Chief Engineer. *If, however*, a fire breaks out while another is burning, in a different section of the city, a *second* alarm can be given by a Police Officer without waiting for an order from an Engineer.

---

### CAUTIONS TO PERSONS HOLDING SIGNAL KEYS.

1. Never open the box or touch the hook except in case of fire.
2. Never give an alarm for a fire seen at a distance.
3. Be *reasonably* sure there is a fire before giving an alarm.
4. Be sure your box is locked before leaving it.
5. Never let the key go out of your possession, except to some responsible person, to give an alarm of fire, and be sure the key is returned.

*If you remove from your house or place of business return the key to the Fire Commissioners' Office without delay.*

## U. S. WEATHER BUREAU.

## EXPLANATION OF CAUTIONARY AND STORM SIGNALS.

A RED FLAG with a WHITE CENTRE, displayed at stations on the Great Lakes, indicates that the winds expected will not be so severe but well-founded sea-worthy vessels can meet them without danger.

A RED FLAG with a BLACK CENTRE either on the Lakes or seaboard indicates that the storm is expected to be severe.

The pennants displayed with the flags indicate the direction of the wind; red, easterly winds (from northeast to south) white, westerly (from southwest to north). The pennant above the flag indicates that the wind is expected to blow from northerly quadrants; below, from southerly quadrants.

The Information Signals consist of a RED PENNANT similar to the direction pennants, and when displayed alone indicates that the local observer has information from the central office of a storm covering a limited area, dangerous only to vessels about to sail for certain points. This signal is intended to be a notification to shipping masters that valuable information will be given them on application to the local observer.

By night a red light will indicate easterly winds and a white light above a red light will indicate westerly winds.

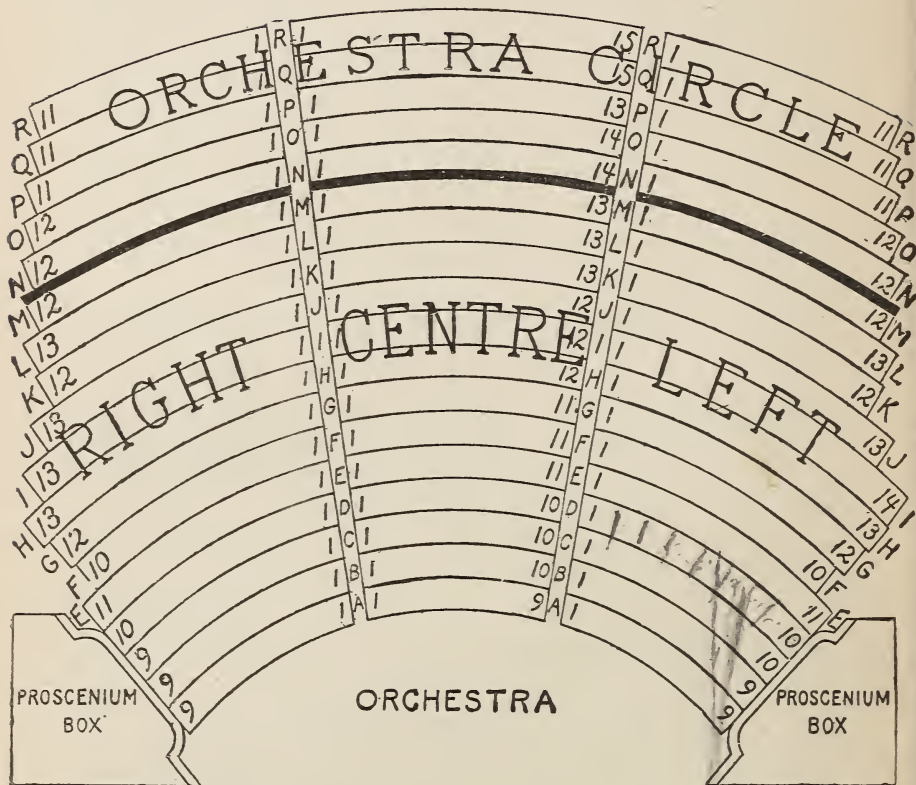

The system of weather, temperature and rain signals displayed throughout the country is distinct from the cautionary and storm signals, the latter being principally for the information of the maritime interests, and are displayed at the principal ports of the Great Lakes, and on the Atlantic, Pacific and Gulf coasts.

Boston office, rooms 149 to 154, P. O. Building, open to public from 9 A. M. to 4 P. M.; visitors cordially invited.

## Corticelli Darning.

Darning daintily done on fine linen delighted daily crowds of visitors at the World's Fair. Finished examples of this work were also on exhibition. Corticelli Wash Embroidery Silk [EE], conveniently put upon spools, is used for the darning. Reeling

Raw Silk from Cocoons and Corticello drawn-work were two other rival attractions. These could be seen in the Canadian Section on Columbia Avenue, Manufacturers' Building.
